**Net Call Up Script**

CQ, CQ, CQ, Calling CQ for the Okaw Valley Amateur Radio Club net.

This is \_\_\_\_\_(Net Control's Call) NET CONTROL station for this evening. My name is \_\_\_\_\_(Operator Name) and I am located in \_\_\_\_\_ (Your Station Location). The Okaw Valley Amateur Radio Club net meets Sunday evenings at 2100 hours local time for the purpose of dissemination of information and fellowship among all amateurs. During tonight's net the order of stations called will be stations with traffic, mobile stations, EchoLink-IRLP Stations, QRU or in-and-out stations, and finally regular check ins. Please identify yourself by your call sign, your first name and your location. Is there any emergency traffic at this time? (Pause)

At this time \_\_\_\_\_ (net control's call) will standby for any **STATIONS WITH TRAFFIC**—announcements for the net.

At this time \_\_\_\_\_ (net control's call) will standby for any **MOBILE** stations. Again, please identify yourself by your call sign, your first name and your location.

At this time \_\_\_\_\_ (net control's call) will standby for any **ECHOLINK** or **IRLP** stations. Again, please identify yourself by your call sign, your first name and your location.

At this time, \_\_\_\_\_ (net control's call) will standby for any **QRU** or in-and-out stations.

Finally, \_\_\_\_\_ (net control's call) will standby for any **REGULAR CHECK INS**—those with comments or questions.

Are there any **late check-ins**?

Are there any stations with **additional information**?

**We would like to thank each and every amateur for their participation in tonight's Okaw Valley Amateur Radio Club net and remind you of other weekly nets in our area:**
