Net Call Up Script

CQ, CQ, CQ, Calling CQ for the Okaw Valley Amateur Radio Club net.

This is _____(Net Control's Call) NET CONTROL station for this evening. My name is ____(Operator Name) and I am located in _____ (Your Station Location). The Okaw Valley Amateur Radio Club net meets Sunday evenings at 2100 hours local time for the purpose of dissemination of information and fellowship among all amateurs. During tonight's net the order of stations called will be stations with traffic, mobile stations, EchoLink Stations, QRU or in-and-out stations, and finally regular check ins. Please identify yourself by your call sign, your first name and your location.
This net info is being managed on Net-Logger. My Net Logger Session is named Okaw Valley ARC (**Please Remember to wait 2-3 seconds after you key-up before you start talking**)
>>>>>>>Is there any emergency traffic at this time? (Pause)<<<<<<<<<<<<<<<<

At this time **NET CONTROL** will standby for any **STATIONS WITH TRAFFIC**—announcements for the net.

At this time **NET CONTROL** will standby for any **MOBILE** stations. Again, please identify yourself by your call sign, your first name and your location.

At this time **NET CONTROL** will standby for any **ECHOLINK** stations. Again, please identify yourself by your call sign, your first name and your location.

At this time, **NET CONTROL** will standby for any **QRU** or in-and-out stations.

Finally, **NET CONTROL** will standby for any **REGULAR CHECK INS**—those with comments or questions.

Is there any **late check-ins** or any stations with **additional information**?

We would like to thank each and every amateur for their participation in tonight's Okaw Valley Amateur Radio Club net and remind you of other weekly nets in our area:

W9VEY/WA9RUM Memorial Net	Mondays	8:30 PM	146.82 no PL
Old Capital ARC	Tuesdays	8:00 PM	146.745 PL 88.5 Hz
Macoupin County ARC	Thursdays	8:30 PM	This Linked Repeater System

We now close the net and return the repeater to regular amateur use.
(Your Call)_____ Out!
